Our Beautiful Brides

Sarah & Richard | Mr & Mrs Mintoft

From the minute we arrived until we left you were there to guide us through. Your unassuming, unflappable manner helped to make the day perfect and our stay so memorable. We could not have hoped to marry in a more stunning setting and beautiful surroundings. This really was a fairytale come true!

Veronique & David | Mr & Mrs Shingler

We wanted to get married in or near Matlock as Veronique grew up there. We had heard about Stancliffe and Veronique and her family knew it well as her brother went there when it was a prep-school. We loved it straight away. The fact that we had so much control over how the day would look - it being exclusively ours for the wedding - was a massive plus but more than anything we were bowled over by how beautiful it looked inside and out.

Gemma & Joel | Mr & Mrs McQueen

How do we begin to thank you for all the amazing help, devotion and care you gave us. From the day we came for a viewing to the day we left after the wedding (with a smile and wave). Thank you, thank you so very much for making our time at Stancliffe a truly memorable one. The love and emotion on the day was unbelievable, Deborah and Brian thank you for sharing your home with us all.

Polly & Dan | Mr & Mrs Bennett

We just wanted to say a HUGE thank you for everything that you did to make our wedding day perfect. Your attention to detail and the care you showed our guests was outstanding. I felt like a princess from the moment I arrived until I left. I didn't once worry about any detail or our day. Words really can't express how wonderful you all are - we are eternally grateful to you all for the most perfect day ever.
